Jonathan,

That's a great idea. I've been out of the office with the flu since Thursday afternoon but am working half-speed at home today and will be back in tomorrow.

In the meantime, I've had my staff begin drafting a response. I don't have my notes here at home, but I feel like I provided a deadline for a response that might need a few extra days now, but I'll know better when I'm in tomorrow.

How about a call at 11 Monday?

Jason

Hello Jason,

I would like to set up a check-in call with you for early next week now that you have had a chance to spend some time looking over the complaint. Please let me know your availability.
